

BUILD THE GREAT PARK NOW

Dear Irvine Resident,

We did it!

On Tuesday, September 10, the Irvine City Council voted to move forward with building the Great Park by negotiating a deal with FivePoint Communities who increased their offer to \$176 million to build a 668 acres of park development including one of the preeminent youth sports complexes in the country for baseball, soccer, tennis, golf and swimming, a 178 Acre Wildlife Corridor and 80 Acre park & recreation complex.

The entire Build the Great Park Now committee wishes to thank Mayor Steven Choi, Mayor Pro Tem Jeff Lalloway and Council Members Larry Agran, Beth Krom and Christina Shea for their unanimous yes vote. We would also like to thank the more than 2,000 Irvine residents who signed our petition online and at sporting events throughout the city, emailed the city council and especially the hundreds who attended the council meeting.

Even with all this great forward motion, we are not done yet.

Our next step is the Planning Commission, followed, we hope, by a formal approval by the City Council. We hope to have the final city council vote finalized by the end of the year.

If you have already signed our petition at www.BuildtheGreatParkNow.com, thank you. If you have not, please visit the site and add your name to the growing list of supporters. Also, please encourage your friends and neighbors to sign up. Signing up is the best way to stay informed about how to help make sure City Council votes to build the Great Park now.

Thank you,

Rose Marie Kacic, Irvine educator

Guy Lemmon, chairman
Build the Great Park Now and
Ryan Lemmon Foundation

Blair Ota, Irvine Softball

Rob Ferguson, former chair
Irvine Sports Committee/AYSO

Jason Szczuka, Esq.
soccer coach and player

Mike Filia,
